

## SYSTEM NAME HMEL-LAS

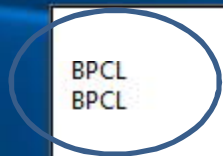

The screenshot shows a window titled "Afw Service Connection Status -- HMEL-LAS". The window contains a table with the following columns: Status, Service, Group, and Provider. All status indicators are green circles, indicating that all services are connected. A blue oval highlights the window title, and a blue arrow points from the text "SYSTEM NAME HMEL-LAS" to it.

Status	Service	Group	Provider
●	BackupService	BackupService	BackupService on node OWS-01
●	Property Expression Manager	Property Expression Manager	Property Expression Manager on node EWS-01
●	Property Expression Manager	Property Expression Manager	Property Expression Manager on node OWS-01
●	Event Storage	Event Storage	Event Storage on node EWS-01
●	Event Storage	Event Storage	Event Storage on node OWS-01
●	Alarm Property Server	Alarm Property Server	Alarm Property Server on node EWS-01
●	Alarm Property Server	Alarm Property Server	Alarm Property Server on node OWS-01
